GLENTEL AWARDED YELLOWHEAD COUNTY CONTRACT

Glentel Inc. is pleased to announce that Yellowhead County, Alberta, has awarded the company a significant project. The \$1.4 million dollar project has an expected completion date of January 2008 and includes the replacement of the wireless communications system infrastructure and user equipment. Fire and emergency medical services as well as transportation, enforcement, and agricultural services will use the system and user equipment.

Considered one of central Alberta's key economic and tourist destinations en route to the Alberta Rockies, Yellowhead County is an economically strong region with immense opportunities in petroleum, mining, forestry, agriculture and tourism.
